Oasis Soup Kitchen, Boston**

Directions from Concord

There are many different ways one might get to the Oasis Soup Kitchen from Concord!

Since the summer of 2009, the Oasis Soup Kitchen has been located at St. Paul's Episcopal Cathedral, **138 Tremont Street, Boston 02108**. This is a big church (though small compared to the buildings around it) located across the street from Boston Common, in the heart of the city. Please use a GPS or online mapping service to choose your own route, as there are a variety of ways to get there.

Given that the soup kitchen is located in the heart of the city, you may strongly consider taking the **Red Line T from Alewife Station**. The Red Line stop you would use is Park Street, which is on Boston Common. Once you come to ground level, the church should be to your right.

If the weather is poor, please consider using the Commuter Rail and the T. If taking the Commuter Rail, use the Red Line transfer station at Porter Square.

If driving into the city, a nearby parking garage (**One Beacon Street**) offers a discount (Cost is \$8 instead of \$12) to groups helping at Oasis. Bring your parking ticket to be stamped by Oasis (ask Joe to direct you to the person who will stamp your ticket).

The entrance to the parking garage is actually on Tremont street before you get to the intersection of Tremont and Beacon. It is a bit complicated when you enter. At the bottom of the ramp you need to go to the garage on the left (there are two separate garages). Tell them that you are going to the soup kitchen at St Paul's, and they will tell you where to park.

St Paul's is two blocks down Tremont street, from the parking garage, on the left side of the street.
