

HOLY FAMILY PARISH

Inspiring Hope Campaign

To be successful, Holy Family Parish needs support at all levels. Since we are all of different means and have unique needs, we are encouraging every family to consider making a pledge within their own means that is payable over five years and is of equal sacrifice and not equal amount.

When considering your own level of support, please review the table of example pledges and what they would look like broken out over a period of five years.

Example 5-Year Pledge Calculator

Total 5-Year Pledge	Annual Installment	Monthly Installment*	Daily Equivalent*
